CALL TO ORDER- President Carol Desch

MINUTES OF MARCH MEETING – read and approved. Motion Jane, 2nd Wendy

Treasure Report – no report for this meeting but notified that new credit card is here and being used and the old one is canceled.

OLD BUSINESS

- Carol mentioned and asked for motion to upgrade of \$11 per month for Ink (HP) for 400 copies. Motion made by Mary, 2nd by Jane. Approved
- Old retired Museum sign from Main street will now have a new home on the extension lower level at Anderson. Hopefully will be set up before the July meeting. The original smaller sign for the museum will be put up on the Annex for the time being until a sign that designates it is a Farm & More Annex. We want to public to be aware of all three museums.
- President placed a mandatory sticker sign of “No smoking” on the Anderson front door.
- Discussed a possible flooring replacement at the entrance point in the Main museum as the rug there seems to be in terrible condition. Wendy made a motion to shampoo the rug area for now and revisit subject again in the Spring. Carol 2nd the motion. Approved
- Carol mentioned that Griefs business in Dwight will complete our order for stone, Memorial Pavers but then afterwards will not be doing any more. Jane and others discussed a possible backup for additional Pavers. Board aware that the price for these will see an increase in price.
- “Growing Season” and the touring by grade school children was a success and members heard many positive remarks.
- Ron Shank gave members his new email address and it will be posted on the list over at Main street Museum.

NEW BUSINESS

- Bob told board of donation of items he had received at main street. Included in donations are a WWII gas mask, (we have only a WWI) Vintage board games and small kitchen items like a vintage pop corn popper. Ron gave us a family very old lantern which will be displayed at Anderson. Members are always pleased to see additional items to display for any of the museums.
- Much discussion about Labor Day from should we have a small float, who can ride in an older care to represent the Museum, Should we provide entertainment again this coming labor Day??
- Board also discussed if we should provide food? We agreed that there is definitely “food” for thought and we will be discussing and sharing our ideas over the next month for the meeting in July.
- MEETING ADJOURNED - motion by Ron, 2nd Bob -
- next meeting will be Monday, July 25th at 6:30pm Anderson
