OLD BUSINESS

- The HAHS website will be updated for Labor Day
- Interviews on Randy Bisallion and Carol & Carol Desch are pending
- Suggested that Main street museum receive a partial face lift with awnings and a neon “open” sign in a front window. Someone suggested to check with Eddy, owner of restaurant across the street to see if he still had an extra open sign. Wendy and Bob had looked into prices and one could be purchased for just over \$100. Also suggested to have a historical mural painted on the outside south brick wall.
- Plazas – pavers are done for the present. An alternative company or person will need to be found if we plan to continue with bricks for the memorial plaza.
- Judy reported on Cardiff cleanup and has already applied an application of roundup on the weeds. Judy and grandsons took on this Cardiff project in the past year and it really does look very nice.

NEW BUSINESS

- Judy had checked with a possible ice cream truck being present at Anderson on Labor Day. It is a combination ice cream and cake vendor. Members thought this to be a great idea.
- Discussed who to have ride as representatives of HAHS in the parade and Judy said she would check with Madeline Bouchard and Dan Hoffman.
- Members discussed the Village Park and the 15 minute or so we need to talk about the museums and advertise on the stage about our activities for labor Day. It was decided to talk about our latest presentation and highlight “Growing Seasons” based on the book and local author.
- Jane brought up potential activities that could be run at the Anderson house on Labor Day. She thought perhaps rope making, shelling corn or even milking if everything is in place. We will advertise this in paper and on the website so families will know we will have some activities for children.
- Jane also briefly mentioned Christmas/Holiday Decor and gift sale for November. Sannta shop at the Legion in December.
- Next meeting will be at the end of August – at 6:30/**Monday Sept. 26th, 2022**
